Care and Cleaning

EXTERIOR MAINTENANCE

1. To clean the outside of the fixture, use a dry or slightly dampened clean cloth (use clean water, never a solvent) to wipe the surface of the fixture.
2. Do not use any cleaners with chemicals, solvents or harsh abrasives. Use only a dry soft cloth to dust or wipe carefully.

PE SOLAR TABLE LAMP

Art Nr. 100000140

Pre-Installation

PLANNING THE INSTALLATION

Read all instructions before assembly and installation. Before starting installation of the fixture or removal of a previous fixture, disconnect the power by turning off the circuit breaker or by removing the fuse at the fuse box. To avoid damaging this product, assemble it on a soft, non-abrasive surface such as carpet or cardboard.

TOOLS REQUIRED

Knife
