Precautions

- Use 5V 1A output wall plug to make sure the upgraded Book Light is working at its full capacity.
- Please charge it at least once every 6 months to maintain the battery's lifespan.
- Please avoid placing in an extreme temperature environment (either too hot or too cold).
- Disposal: When you are ready to dispose of the product after wearing it out, please make sure to follow the instructions of your local government for environmental and safety purposes.

How to Charge the Bookmark Book Light

1. Simply plug the provided USB-C cable into the charging port at the bottom, and connect it with a 5V power charger.
2. It takes about 1.5 hrs to fully charge.
3. Please fully charge the product before first use.

Note: The green lights remain flashing when the reading light is on charging, and the green lights will be stable when it is fully charged.
